MR. ARTHUR N. AGUILAR
President & CEO
National Transmission Company
Quezon City

Attn: ENGR. JESUSITO H. SULIT
Vice President-System Operations

Dear President Aguilar:

Warm greetings!

In line with our efforts of protecting and promoting electricity consumer interest and as part of our continuing study of how electricity consumers are affected by adjustments in the components of the effective power rate passed-on to us by our distributor, MERALCO, may we please be furnished TRANSCO's Monthly Power Deliveries in kWh and its corresponding rate per kWh to Meralco from March 2003 to June 2006?

Further, from the said Total Monthly Power Deliveries, may we know the volume of energy that came from NPC and Meralco IPPs?

We look forward to your prompt and favorable reply.

Thank you so much

Very truly yours,

PETE L. ILAGAN
President
