**HON. JOSE RENE D. ALMENDRAS**  
*Secretary, Department of Energy*  
Energy Center, Merritt Road  
Fort Bonifacio, Taguig City

Dear Secretary Almendras,

Greetings!

This refers to the annual distribution development plan (ADDP) which electric cooperatives are mandated to submit to DOE through the National Electrification Administration (NEA).

It is our understanding that this ADDP represents the capital expenditures (CAPEX) of the every distribution utility, including the electric cooperatives.

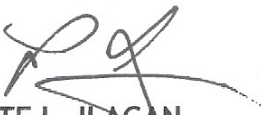

In this regard, may we be furnished free copy of the ADDP submitted by MERALCO and the eleven (11) electric cooperatives in Region VIII from 2004-2010?

We hope to see in these ADP their respective annual accomplishment based on their submitted plan so we will know if our monthly rate payments for these expenditures are applied accordingly.

We look forward to your immediate and favorable response.

Thank you so much.

Very truly yours,

  
**PETE L. ILAGAN**  
*President*
