MR. JESUS P. FRANCISCO

President

Manila Electric Company

Ortigas Center , Pasig City

Dear Mr. Francisco:

Greetings!

In line with our continuing study of the power rates, MERALCO's generation charge in particular, may we please be furnished the following:

1. MERALCO's actual total demand load (energy requirement) on an hourly basis per month for the period covering May 2005 to June 2006;
2. MERALCO's onthly Time of Use (TOU) purchases from the National Power Corporation (NPC) for the same period as mentioned above;
3. Percentage of monthly power supply from MERALCO three (3) IPPs and NPC for the same period as mentioned above.

These data will help us understand the up and down movement of MERALCO's generation rate.

We hope this request will merit your preferential attention.

Thank you so much.

Very truly yours,

PETE L. ILAGAN

President
