General Manager, LEYECO II, Inc.

ATTENTION: THE BOARD OF DIRECTORS

SUBJECT: IMPLEMENTATION OF THE REFUND OF METER DEPOSIT

Dear Atty. Conde,

This refers to the refund of the consumers' meter deposits which should have been implemented not later than two (2) years from the effectivity of the Rules Governing the Refund which took effect last July 5, 2008. We are not aware of and do not remember any refund as we have not received the refund of our meter deposits.

This is the very reason Mrs. Catalina Abeto wrote LEYECO II through you last November 3, 2010 but consistent with your personal discipline of ignoring consumer concerns and issues, you did not care to favor us with a reply which shows your very unfriendly attitude towards consumers who simply inquire and request for documents that will allow them to appreciate and understand LEYECO II's operations which boast of being No.1 in Region VIII.

We really hope LEYECO II will be Number One also in the implementation of the refund of consumers' meter deposits so we can truly share its pride of being No. 1 in the region.

In this regard, may we be allowed to reiterate our request of November 3, 2010 which are as follows?

1. Total Meter Deposit as of July 31, 2010;
2. Of the total amount ending July 31, 2010, how much comes from the residential, commercial, and industrial customers;
3. Where is this amount deposited?
4. What is the total number of membership of LEYECO II?
5. When will LEYECO II start the refund?
6. Copy of LEYECO II's proposed Refund scheme and copy of ERC's reply;
7. Photocopy of LEYECO II's latest deposit of the said total meter deposit;

Additional request: Total accumulated interest on these meter deposits;

Since, it has been 10 months past the two (2) year-period within which LEYCO II should have complied with the ERC Rules, it will be most appropriate for the LEYCO II management to implement this refund within fifteen (15) days from receipt of this letter or we will file a Complaint with ERC to protect the interests of the member-consumers based on LEYECO II's non-compliance with the ERC Rules.

In this regard, we are requesting LEYECO II to immediately implement the refund of the customers meter deposits within fifteen (days) from receipt of this letter in accordance with the ERC Rules Governing the Refund of the Meter Deposits.

We look forward to LEYECO II'S so-called EFFICIENCY in the implementation of the METER DEPOSIT REFUND.

Very truly yours,

ERLINDA L. BUTALID
