Atty. Jerry Gwen L. Conde, CPA
General Manager
Leyte II Electric Cooperative, Inc.
Real St., Tacloban City

Dear Atty. Conde,

Our participation in the public consultation held at LEYECO II premises last Thursday, September 23, 2010 was both enlightening and encouraging especially when it was stressed by the ERC presiding officer that the provisional rate increase it granted LEYECO II to make its operation efficient is based on its recognition that LEYECO II is owned by its member-consumers.

In line with our desire to know more about this ownership, may we may be furnished the detailed list of all LEYECO II's loans (with amount, dates and terms of payment) from the National Electrification Administration (NEA) and other sources (closed and active) from the time it started operation?

This data will enable us to appreciate where and what LEYECO II's is now.

We hope this request will be afforded your immediate and favorable response.

Thank you.

Very truly yours,

Catalina P. Abeto
