Atty. GERRY GWEN CONDE
General Manager
Leyte II Electric Cooperative, Inc. (Leyeco II)
Real St., Tacloban City

Dear Atty. Conde,

Warm Greetings and welcome back!

This refers to your reported trip to the United States of America (USA) to attend the March 3-11, 2011 annual conference of the National Electric Cooperatives Association of America (NRECA).

We would like to presume that your trip was in an official capacity with the objective of learning the latest development in distribution utility management that will enhance your capabilities as a general manager in making decisions that will benefit the member-owners of LEYECO II through your newly-acquired knowledge that you have brought home with you.

We look up to this with high expectations because we know that you have temporarily left behind the management not only LEYECO II but LEYECO III as well being its concurrent GM.

So as to put things in its proper perspective and order, may we ask for the certified true copies of the following documents:

1. Leyeco II and III Board Resolution approving your attendance to the said NRECA Conference in Orlando, Florida, USA and the corresponding travel expense budget;
2. Conference Kit and brochures to show the workshops you have personally attended;
3. Certificate of attendance to the specific workshop you have attended;
4. Photocopy of your plane ticket and hotel bills;
5. Photocopy of your Official Receipt (O.R.) of Conference Registration Fee;
6. Copy of your official report on the conference;
7. Copy of LEYECO II's transmittal of its Board Resolution of your attendance in the said NRECA Conference;
8. Photocopy of NEA's confirmation of LEYECO II's Board Resolution.

We are making this request based on the fact that your travel expenses came from our rate payments as consumer-member-owners of LEYECO II.

We, therefore, expect you to give as your immediate and most favorable response.

Thank you.

Very truly yours,

ERLINDA L. BUTALID

President

NASECORE Leyeco II Chapter

208-F Real St., Brgy. 53, Tacloban City
