ATTY. FRANCIS SATURNINO JUAN

Executive Director

Energy Regulatory Commission
Pacific Ctr. Bldg, San Miguel Ave.
Ortigas Center, Pasig City

Dear Atty. Juan,

Greetings!

This is to thank and acknowledge receipt of your letter dated 31 August 2011 attaching our requested list of all distribution utilities (DUs) on a per grid basis with ERC-approved bilateral contracts with the following information:

1. The name of the power supplier;
2. Date of filing of the application for the approval of the Power Supply Contract;
3. Date the application was approved by ERC;
4. The ERC-approved rate per kilowatt-hour;
5. Duration of contract;
6. Type of contract (on a “take or pay” basis or per computation basis).

We note though that only the following electric cooperatives (DUs) have the ERC-approved power supply contracts on a per Region basis:

Region I: LUELCO and PENELCO I;

Region II: CAGELCO I, CAGELCO II, IFELCO, ISELCO I, Kaelco, NUVELCO, and QUIRELCO;

Region III: NEECO I, NEECO II (area II), PELCO I, PRESCO, SAJELCO, TARELCO I, TARELCO II, ZAMECO I, and ZAMECO II;

Region IV: AURELCO, ORMECO and ROMELCO;

Region V: ALECO, CASURECO II, FICELCO, MASELCO and SORECO I;

Region VI: AKELCO, ANTECO, CAPELCO, ILECO I, ILECO II, NOCECO, & VRESCO;

Region VII: BOHECO I, CEBECO I, CEBECO II, NORECO I, NORECO II;

Region X: ANECO, ASECO, FIBECO, SURNECO;

Region XI: DANECO, DASURECO, DORECO, SOCOTECO II, SURSECO I, SURSECO II;

Notably, not a single electric cooperative has entered into a power supply agreement/contract with a generation company that had been filed and approved by the Honorable Commission. If this is the case, may we then request for a reply validating our observation that all the ECs in Region VIII have no ERC-approved power supply contracts to this date?

We look forward to your continued support and cooperation.

Thank you so much.

Very truly yours,

PETE L. ILAGAN
President
