**MR. JESUS P. FRANCISCO**

*President*

Manila Electric Company  
Ortigas Center , Pasig City

**Dear Mr. Francisco:**

Greetings!

This pertains to the E-VAT component on each of the electric charges in our monthly electric bill which had become a regular charge to the consumers since its implementation in late 2005. We understand that MERALCO remits this collection from E-VAT on a regular basis to the Bureau of Internal Revenue (BIR).

In this regard, may we request for MERALCO's monthly total collection of the E-VAT on each of the various items contained in MERALCO's monthly electric bill to all kinds of consumers from the time this tax was implemented up to March 2008? Further, may we also be furnished copy of MERALCO's monthly remittance for the same period of this E-VAT collection to the BIR?

These data will help us in our current study of the impact of the E-VAT on electricity on MERALCO's different types of customers.

We hope MERALCO will grant this request with utmost understanding and may we look forward to your soonest response.

Thank you so much.

Very truly yours,

**PETE L. ILAGAN**

*President*
