**ATTY. JERRY GWEN CONDE, CPA**

General Manager

Leyte II Electric Cooperative, Inc.

Real St., Sagkahan

Tacloban City

Dear Atty. Conde,

This refers to my letter of October 5, 2010 received in your Office on the same day. We wanted to know the steps you have taken in connection with the implementation of Section 57, of the Electric Power Industry Reform Act of 2001 that gave consumer-members an option to choose whether to register with the CDA or the SEC as stock cooperatives or corporations...

Our records show that after more than one month since you received that letter, we have not received any reply or comment regarding this matter.

Since this matter is of utmost importance to us, we hope that you will not continue to ignore our request. We have written the Board President and Members individually regarding the same query. It is our hope that the democratic principles intended by the Law will operate.

In this connection, please favor us with your immediate response. You may address reply to our NASECORE Regional Office c/o Butch Celestial or my residence at 12 Picas, Sagkahan, Tacloban City.

Very respectfully yours,

*Catalina P. Abeto*
