ATTY. FRANCIS SATURNINO C. JUAN
Executive Director, ERC
16th Floor, Pacific Center Bldg.
San Miguel Ave., Pasig City

Dear Atty. Juan,

Thank you for your reply dated 14 May 2010 to our letter of 11 May 2010 advising us to file the appropriate pleading for the relief we are seeking from the monthly automatic increases in the generation charge of MERALCO which started in February 2010 up to the present.

As per your advise, we shall file the appropriate pleading.

However, we will need copy of the ERC Monthly Order which effectively authorize MERALCO to implement the automatic increases in its generation charge from February to May 2010?

In this regard, may we be furnished the said ERC Orders from February 2010 to May 2010 and MERALCO's submission upon which the Honorable Commission based its Order?

The requested documents will help us prepare the appropriate pleading for the relief we are seeking to protect consumers from unjust and unreasonable generation rates.

We look forward to your immediate and favorable response.

Thank you so much.

Very truly yours,

PETE L. ILAGAN
President
