**Dear Administrator Bueno:**

Greetings!

Thank you for the information that NEA disapproved the request of the LEYECO II General Manager requesting for the approval of its Board Resolution No. 110,s 2006 granting its employees a 14<sup>th</sup> month pay incentive for year 2005 during our breakfast meeting this morning. We view this NEA's decision supportive of Nasecore's position where our requests merit outright rejection and dismissal. May I please request for a copy of this NEA disapproval?

Today I am in receipt of a LEYECO II Board Resolution No. 002 series of 2007, a Resolution Terminating the General Manager Atty. Jerry Gwen L. Conde of Leyte II Electric Cooperative, dated 9 January 2007.

In view of NEA's disapproval of the said request and the above Leyeco II Boar Resolution, we believe NEA must act swiftly in the disposition of justice by supporting and affirming the Resolution terminating Atty. Jerry Gwen L. Conde - finding GM Conde *"to have deliberately disbursed the amount of P2,797,190.50 for the payment of the 2005 14<sup>th</sup> month pay/productivity incentive bonus, despite having personal knowledge that it was not approved by NEA which is an utter disregard and defiance of existing NEA policies and guidelines, and utter disrespect of the Leyeco II Board Resolution No. 110, series of 2006, and even going to the extent of deceiving the Secretary/Treasurer of Leyeco II, in signing the voucher and the check thereof with his personal assurance that the same is already approved when in fact it was not."*

In this regard, we hope NEA will be resolved in implementing its avowed mission of protecting electric cooperative consumers from these abusive and corrupt practices in order for NEA to show its competence and integrity in policing the electric cooperatives.

Very truly yours,

signed
