Attention: Atty. Jerry Gwen L. Conde, CPA
General Manager

Dear Mr. Hidalgo,

Greetings!

Relative to Leyeco II's Petition for rate increase under ERC Case No. 2009-111RC which was granted a Provisional Authority (P.A.) last January 2010 may we request for Leyeco II's monthly revenues and sales in kWh from its Distribution, Supply, and Metering (DSM) charges broken down on a customer category basis starting from its billing cycle in Feb 2010 up to Aug 2010?

Further may we ask how much of these monthly revenues came from the provisional increase granted in January 2010.

This request is in line with our participation in the public hearing and public consultation of Leyeco II's application with ERC under the case mentioned above.

We hope for your expected cooperation.
