National Transmission Company
Power Center, BIR Road cor. Quezon Avenue
Diliman, Quezon City

Dear President Ortiz:

Warm greetings!

Since its creation as a separate corporation, as mandated by EPIRA, Transco has embarked on various projects aimed at upgrading the transmission system of the country and sold numerous subtransmission assets to distribution utilities. In this connection, may we request the following information:

- a. Name and description of the project, amount/cost, location, bidding bidder and whether the cost is financed by internal cash or through loans; and
- b. Name of subtransmission asset sold, amount/cost, name of buyer and the terms of the payment.

In the spirit of public service and transparency, we hope our request will be acted with dispatch by your office.

Thank you and God Bless.

Very truly yours,

PETE L. ILAGAN

President
